A Note About the Annual Diocesan Appeal

Each year, the Annual Diocesan Appeal (ADA) supports the regular operations of shared ministries and services that no single parish can sustain alone. For 2026 only, we will not have a separate ADA. Instead, we invite you to direct the gifts you would ordinarily offer to the ADA toward the Sowing Seeds of Faith Campaign for Spiritual Renewal. This diocesan-wide campaign is helping every parish bring our Pastoral Plan to life. Our parish will be participating in Sowing Seeds of Faith later this year, and we look forward to sharing more with you soon.

Our Dreams and Possible Fruits for Active Youth Ministry in the Parish

Fr. Tony

Many parents have shared with us how joining youth ministry at their parishes in their days as teenagers helped them to become better Catholics and better human beings in general. It is for this reason that we have been praying for the return of our youth ministry to the parish. When Tore Saso, our PLT head made the announcement at the 4pm Christmas Eve mass, there was a big round of applause from the community. For this reason, the youth mass will be offered at 5pm only during the six Sundays in Lent 2026. We encourage all young people in our parish and school to consider attending these Lenten Sunday masses offered for them.

With the youth ministry, we are hoping to plant seeds of faith for the future of our parish. The fruits of this ministry are enormous. We hope to have a dynamic youth ministry that is vibrant and filled with young people who love their faith and live it out. The youth ministry will certainly produce young leaders who will end up as parish leaders and school leaders as well.

It is our dream that the youth ministry would prepare the young ones to become responsible adults as they grow and become good catholic parents. We want to assure you of the support of the priests in having a successful parish youth ministry. Both Fr Celso and I are committed to this from the moment we got here. We shall be accessible and welcoming to the young people of our parish and they will have a voice here as Fr Celso already mentioned in his article last week. It is our desire to form the younger generation to become highly engaged in the parish communities they will find themselves in the future.

Let us all join hands together in forming a new generation of committed Catholic leaders here in the Silicon Valley.
